

How To Make A Difference

Most Americans have heard of the AIDS pandemic in sub-Saharan Africa; many even know of the plight of the millions of children and elderly being left behind as the people on whom they depended for support die of AIDS. The problem is so big and so far away it seems impossible that one person could make a difference.

Yet, Agathos does offer ways that each and every one of us, acting together, can make a tremendous difference in the lives of these orphans and widows. To donate, there are the following options that you may consider:

Genesis Fund

This fund is used for down payments and initial expenses, start-up costs and conducting day-to-day Agathos operations and is the capital fund used to purchase farms and property.

Please indicate your Genesis Fund pledge:

- \$100/month for ___ months
- \$25/month for ___ months
- \$50/month for ___ months
- Special gift of _____

Operation ACT NOW

(Adopting Communities together – Nurturing Orphans and Widows)

You can contribute to the Genesis Fund through ACT NOW. By giving \$25/month for 6 years one individual can provide hope and a future for one child. Together, it takes only 250 individuals, giving to Operation ACT NOW, to pay for an entire self-sustaining village. Nearly everyone can afford to help in this way, whether through a one-time donation or an annual or monthly pledge.

Please indicate your ACT NOW pledge:

- \$1,700 one-time
- \$25/month (6 years)
- \$300/year (6 years)
