

The Ndola Mandate

A statement from the Church about the orphan crisis in Africa

We, pastors and leaders in the Body of Christ, humbly acknowledge the following statements:

That there is an orphan crisis of epic proportion in our midst,
That the Church is called to rescue the orphan and widow in their distress,
That we have failed to respond to this crisis as we ought,
That we repent and commit our lives and our churches to the care of orphans and widows, using the resources God has given us, and
To pray for and join a massive movement of churches across the African continent obediently rescuing and raising orphans and widows out of their distress —thereby showing the love of our Father in Heaven in our communities.
